Elevation Essentials is back for its first 2021 edition! We hope your year is off to a great start.

The Elevation team is encouraged that companies are feeling energized and excited to hire fresh, top talent. As companies continue to recover from the impact of the pandemic, executive leaders are being challenged to take new, creative approaches to recruiting and retaining top talent. That's where we come in! We are advising our clients daily on talent market insights, virtual interview and hiring strategies, and more to ensure they are attracting the long term, A-players they need to take their business to the next level.

We are grateful for organizations facilitating virtual networking and learning events and providing resources that keep us engaged, aware, and connected through this season. Locally, we are proud to invest in fantastic organizations like The Nashville Chamber of Commerce, The Nashville Health Care Council and The Nashville Entrepreneur Center.

We are excited to continue helping our partners reach higher. If you are ready to make that critical leadership hire or execute a team build out, we would love to be your talent partner. Contact our Vice President, [Emily Martin](#)!
